Johnny Burroughs

Lomax Harrelle,
City Manager

In an effort to improve the infrastructure of the City of Belle Glade, not only for enhancing the appearance of the City but for improving the quality and safety of our streets, the City Commission has over the last 2-3 years undertaken a concerted effort to seek and secure street repair funding. We are pleased to report that we have been very successful in achieving the first part of our goals.

In addition to street repaving, it is important to note that many of these locations will include drainage improvements and/or guardrails as well. Here are the first few phases of our street repair project, but rest assured, there is much more to come!!

Phase I: Completed in 2014; Total of 25 streets; Cost: \$1,032,000

SW Ave H from SW 14th St to Hwy 715
SE 7th St from MLK to SE E Place
SW 12th St from MLK to SW E Place

Your Commissioners are extremely pleased that we have been able to secure \$3,903,602 in street repair, drainage and safety improvement funding in just 2 *short years*, which has gone/ will go toward improving the infrastructure of our City. Our work is not done, however. We will still continue to seek funding in the coming years to build upon the badly needed improvement work in our City until all of our streets are both safe and aesthetically pleasing.

If your street has not already been paved or is not shown in one of the upcoming batches, it may be slated for a later phase. For more information, please call 561-993-1819.

Mayor Steve Wilson
Vice Mayor Mary Ross Wilkerson
Commissioner Michael C. Martin
Commissioner Johnny Burroughs
Commissioner Larry Underwood
